

# Kelley-Mikkola (KM) EVP Classifications

Developed by Doug Kelley & Jari Mikkola

© 2008 • ParaNexus.org

## CLASS 1 (INTERACTIVE)

- Spirit voice is a direct response to a human statement / question / action / activity, or spirit voices respond to each other.
  - Most or all of the words are clear and intelligible, with or without headphones.
  - Spirit voice communicates comprehensible and existentially meaningful expressions of thoughts/feelings/emotions/opinions/actions/intentions.

## CLASS 2 (NON-INTERACTIVE)

- Voice is a general statement and not a direct response to a statement / question / action / activity by humans.
  - Most or all of the words are generally clear and understandable, with or without headphones.
  - Spirit voice communicates comprehensible and existentially meaningful expressions of thoughts/feelings/emotions/opinions/actions/intentions.

## CLASS 3 (NON-SPEECH)

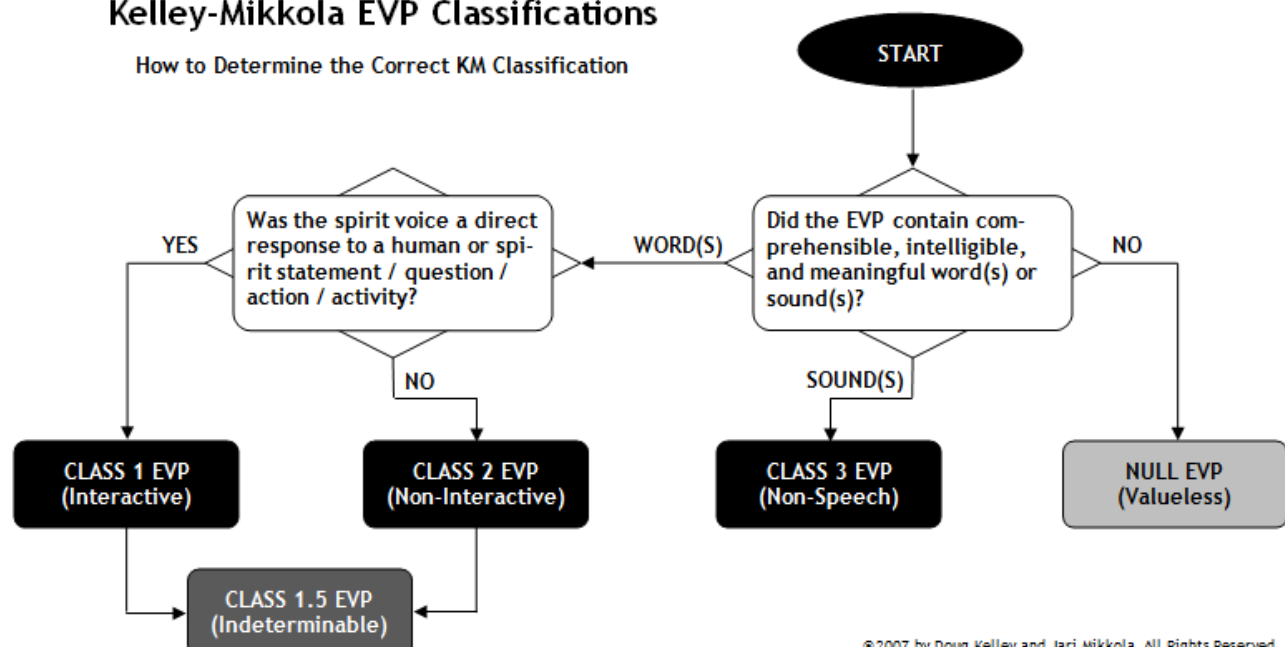

- Spirit voice is a sound other than the spoken word.
  - Growls, screams, humming, etc.
  - Musical instruments, TV, radio, concerts, footsteps, rapping, banging, etc.

## NULL-EVP (VALUELESS)

- The EVP contains nothing of value in understanding the spirit realm or spirit psychology.
  - Words are unintelligible, with or without headphones.
  - Spirit voice does not communicate comprehensible and existentially meaningful expressions of thoughts/feelings/emotions/opinions/actions/intentions, although the word(s) may be intelligible.
